

Uniportal VATS Tips and Tricks

WETLAB ON EXPERIMENTAL MODELS

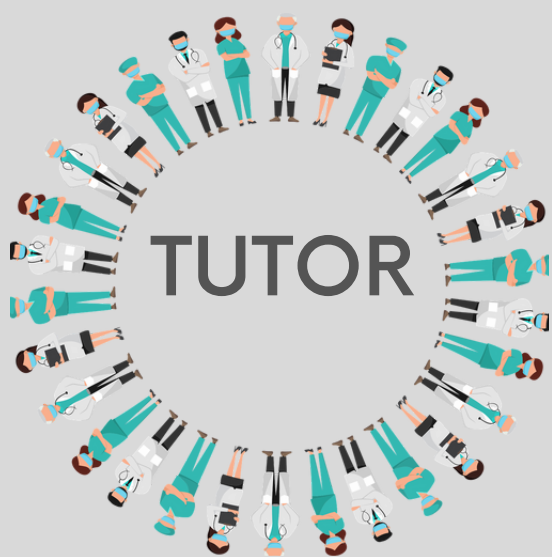

29th April 2023 -
Rome, Centro di Ricerche Sperimentali
Largo Francesco Vito, 1

8 crediti ECM

DIRECTOR: STEFANO MARGARITORA
CO-DIRECTORS: ELISA MEACCI, DANIA NACHIRA

9:00-18:00

The wetlab will be preceded by brief introductory lectures on surgical technique, complication management and comparative anatomy. It will take place on experimental models, on which participants will be able to perform pulmonary lobectomy, vasculare sutures and practice bleeding management techniques (using hemostatic devices and/or vascular sutures) in Uniportal-VATS on live intubated experimental models, under the careful supervision of expert tutors, in a simulation context as close as possible to reality.
